I'm going [unclear words] each other. Every cross-eyed person can be here, to heal. There's not been one pass this platform the eight nights that I've been here that I know of, but what's delivered. Even the one I sent to the same thing I'm going to ask you to do, that the audience might know, God is God, can heal.

Almighty God, as I lay hands upon this young lady, and bless her in the name of the Lord Jesus Christ, I ask these crossed-eyes to become straight. I rebuke this demon that's bound her, in Jesus Christ's name. Amen.

[Brother Branham steps away from the microphone to pray for the people. Another brother says, "Everyone pray, as Brother Branham goes along these cot cases and wheelchair cases [unclear words]."]

8 You have quite a bit of faith of the people on the cots and the wheelchairs and so forth [unclear words] Trying to check over these people just a moment, down here in front. Sister, you there in the wheelchair, what do you think? You going to be healed tonight? Here, you believe you're going to be healed tonight? I know [unclear words] my question, sure about... Father, we thank Thee tonight for Thy mercy and kindness. We thank Thee for Thy healing power. And now may the mercy and power of Jesus Christ be made known unto this audience, through Jesus name we pray. Amen.

10 Are your heads bowed [unclear words] you accept it. I won't stop [unclear words] How long have you been afflicted? Nine years, will you accept Him? You will? Do you think now that if I lay hands on you, that Christ will make you well? Is that right? This lady comes through, something stopped me really right quick, bound her back and her throat. And she says [unclear words] cancer here, so, we're going to ask God, at this time. I think friends, that we ought to have the right-of-way night, that wherever the Lord will take us, stop at the people, and deliver them right here at the platform.

11 Don't you think that they got that much faith? [A brother speaks.] [Unclear words] the microphone now, and the Lord will deliver. Then if you go through this line, if you feel like that you're not healed and want to come through another line, you're welcome to come. Now I want you to believe. I want you to believe it [unclear words].

12 Here's a woman born deaf and dumb. I'm going to stop at her, just bow your heads [unclear words] by the Lord Jesus. How many believes that the Lord Jesus sent me here to do this tonight? 14 You that wheeled her up, have her to look at me [unclear words] By the way, she has crossed-eyes. 15 Now, while you have your heads bowed, how many remember last night what I said about a deaf and dumb spirit, when it's bound down, like a ... just like a transparent band around the hand? You remember that, say "Amen." That's what [unclear words] are made of. This woman maybe never spoke to her in her life, she'd know nothing about it. Now I'd just have to [unclear words]. Everybody be praying. Don't be ... don't be upset, think you're not going to get prayed tonight. I want to [unclear words] early, and then she can go home and be healed, and be well [unclear words].

16 As I lay my hands upon the shoulders [unclear words] As my sister, I already know that the enemy has [unclear words] I'm now claiming the sick. I'm now claiming the faith [unclear words] In the name of Jesus Christ, you can't hold this woman longer. The people believe [unclear words] you come out of her in the name of [Blank spot on tape.] [unclear words].

17 Daddy [The sister responds.] There it is, it's gone. Amen. God bless my sister [unclear words] in Jesus name. God grant it [unclear words] medical science [unclear words].

19 Heavenly Father, as I stand here tonight holding this hand. Take this minister to the needy, the sick and the afflicted. I'm thinking of that [unclear words] physician, Luke, that was with thy disciple. And our brother's arm has been paralyzed Lord, and realizing that there's nothing can help him, except God be merciful. Therefore Father, I'm asking with the sincerity of my heart that this man's arm may be restored. May feeling begin to creep into that arm, then may he be able to minister again to the sick and the afflicted. I ask this blessing for the glory of God, in the name of Jesus Christ. Amen.

Everybody [unclear words] All right, everybody be reverent, the patient's loosening up now [unclear words] walking up and down the platform here [unclear words] there's your faith. Amen. [Unclear words].

27 Almighty God, Your commission by the Son of God was "Go into all the world and preach the Gospel." And we know that the Gospel is power and demonstration of the Holy Spirit. And here's a lady coming from a [unclear words] where Paul taught so many things. And I believe Father, that You're here tonight. You're among all people just as You were with Paul, back in the days of her forefathers, just the people has come on down this age. Thou knowest how that we're planning by Your grace to go shortly. Now the woman's setting watching the line pass through right here of the sick and afflicted, blind and halt. Seeing that tonight Satan is trying his best to hold, but he's losing ground. You're winning, Lord. Now we know that You're here, then the people might know that You are near with us. I am the servant, Lord. God, I've left home, and all that's dear to me on this earth to follow You. It's such a privilege I have of doing this. [Unclear words].

And not one head move. Now [unclear words] All right, He remains the Son of God. Thou demon, leave the woman. Yes, Lord.

30 See, when I put my hands on you it opens up. Everyone believe [unclear words] I'm believing. I know that God is here to deliver [unclear words] Keep my hands on, that's what works [unclear words] in the power of faith. See, the laying on of hands. God grant it. That one went down and stayed down. [Unclear words].

That one went too, didn't it? So you can hear the microphone, that one went too, didn't it sir? Keep your heads bowed. Two drinks of water, keep taking it [unclear words] time go along now, three years, two years.
