

Jesus Christ The Same, Yesterday, Today And Forever

(Sirs, We Would See Jesus)

Chicago, Illinois
January 16, 1955e

Shall we bow our heads just a moment for prayer.

1 Our Father who art in heaven, hallowed be thy name. We thank Thee tonight, Father, for the Lord Jesus Christ who gave Himself for us. We, unworthy ones, but, yet He was willing to die for the unworthy. And we humbly accept it tonight, Lord, with all of our hearts as He, being our Saviour, Redeemer, healer.

2 And we pray, Father, tonight that His great Being will be present with us and will baptize us in His blessings. And may, when we go from here tonight, may we go like those from Emmaus saying, "Did not our hearts burn within us, because we seen Him and we knew Him." For we ask it in His name. Amen.

You be seated.

3 So happy for the opportunity to be in this lovely auditorium tonight here in Chicago in this Lane High School Auditorium. And we're certainly grateful to the people who are here, to be present at the meeting, and for all the ministers, the laity, all of God's children, the strangers in our gates. We're very thankful to this school for their fine cooperation with us, to let us have this through this next coming week. The churches are lovely, but they're just a little small for this type of meeting. And we're grateful to this school. May God grant it the best.

4 And for the engineer here, the electrician, some that I have met today, of the ones who work here in the . . . with the auditorium. And we are very grateful to them and may God bless them.

5 Now, we trust that this week will be one of our greatest weeks in the history of Chicago, because of His Presence. And I am so grateful for these things, for the opportunity.

6 Some of you here perhaps. . . . How many is here was never in one of our campaigns before? Let's see your hands, never was in one of our campaigns before. Well, there's quite a number that has never been in them before.

7 Well, we certainly welcome you with the heartiest of welcomes. And I want to say to many of you probably here for the first night beginning in the campaign, we've been a few nights over in the Philadelphian Church with our good friend, Brother Joseph Boze. And we appreciate that fine courtesy we find from he and from his over there, his group.

8 And now many of you here and last time before going over to India, you helped sponsor that meeting to India. We had a great success. The Lord blessed, and many thousands of people came to know the Lord Jesus Christ, who were unbelievers before.

9 Just a few nights meeting we stayed, because of not sufficient room to put the people. It was approximately five hundred thousand people at the meeting. And we've had no place to put them, and they had to lay in the streets and everywhere they could. And it was just such a pathetic sight, and it raining and everything, that we told them we would come at another season to them. And God willing, I hope to be back again this coming summer with the Indian people.

10 And I certainly appreciate all that you done. And someday in the great beyond, some of those unbelieving heathens that worship idols, and cattle, and flies, and fleas, and insects, and the sun and all kinds of objects, now are sweet, lovely, humble Christians because you helped send the Gospel over there.

11 And at the day of the reward, see, you was the one who gets the reward. I only done what He told me to do. You were the one who sponsored the way. So, the Lord bless you.

12 Now, this afternoon I had about thirty, forty minutes of speaking a Gospel message. And last night I spoke on a Gospel message and tonight we want to have healing services, God being willing. So, therefore, I will not be able to go into the other message for tonight, because it takes so much time in the healing line.

13 It doesn't, say now, that I do the healing. It's your faith in God that does the healing, see. It isn't I. I have nothing to do with it, just try to bring your faith up to a place where you can be healed.

And I'm sure that every person that believes on the Lord, be more than glad to help everything they can to see someone get well.

14 I have a wonderful story from India; I told it at the little church the other night, of a blind man, been blind twenty years. He's even testified before the President. He's just as perfectly normal as any man of his age, thirty or forty years old, that's in the building tonight, after being totally blind for twenty years. And in that miracle that our Lord Jesus performed, was what caused the thousands at one time to come to the Lord Jesus.

15 When it was brought to a showdown, if God is God, after the vision had been seen, of course, that he was going to be healed, then we could bring it to a showdown. But I would be daresn't to do that, just challenge it, without knowing what I was doing.

16 But the Lord told you, "When you come to church tomorrow night, bring your umbrella, because it's going to be raining when you go home," it wouldn't be hard to believe that. You'd bring your umbrella, wouldn't you? Well, if He told you so, if He met you and said to bring it, you'd sure bring it, 'cause you know it was going to rain. Well, that's just the way it is. When He tells us anything, it's got to happen.

Now, in the Gospel of Saint Mark tonight, the Lord willing, just to speak just for a few moments.

17 I'll lay my watch out here, and try to be ready in the next ten or fifteen minutes for the prayer line. And that'll let us out in time. We don't want to keep you late, because tomorrow you work. We want to cooperate every way we can and try to bring the Gospel to you. And may you receive it tonight, in the way that it's trying to be given to you, with a heart full of love for everyone of you, knowing that each one of us are an eternity-bound person.

18 I don't know what time I'm going to have to stand in His presence to give an account for my life. No one here knows. But, one thing sure, we're going to have to stand there, so we must make every hour count. That's why I'm here tonight.

19 I believe that you're a lovely, big city here. Of every city that I've ministered to in the United States, Canada, to Mexico; I don't know of a city on the North American continent that I think is any more ready for a revival than Chicago. That's right. I trust that God will give it to you. I do. I hope it starts now, goes on through.

20 I hear that Mr. Graham, our Brother Billy Graham, is coming next year. And I pray that there'll be so many converted, between now and then, that he'll be able to take it to all Chicago, and all Chicago be a little Jerusalem around here.

I'd just like to see it, for it would just be wonderful. So we'll keep praying, trusting, looking up, believing that God will do it.

Now, I just want to speak a few words here and read a little from the Bible. Then we'll call the prayer line.

21 Now in Saint Mark the 5th chapter, we read these words. The first couple verses, just for a little background.

And they came over unto the other side of the sea, into the country of the Gadarenes.

And when he was come out of the ship, immediately there met him out of the tombs a man possessed with an unclean spirit.

22 And may the Lord add His blessings to this reading. Just to get the company of believers here settled down, so the Holy Spirit can go to work immediately, and start a work on the people to heal them. That's the reason I speak just a few moments. I've been in prayer for the last two or three hours since I left here, and we're ready now for the service. The Angel of the Lord is near.

In this time, Jesus had done great things in these early days, in His early ministry. He was misunderstood as most everyone.

23 Did you ever come to think of it, that most men who ever do anything great for the kingdom of God stand alone? Did you ever think of it? You have to stand by yourself. Jesus stood alone, and all down through the ages other men who stood alone, Finney, Sankey, Calvin, Knox, even to Abraham Lincoln. That's right, stood alone. Men who do great things, men of vision, men of spiritual understanding, stand alone. And I think that's because that Jesus had to stand alone Himself.

24 Now, the one principle of us being here, trying to help you. . . . And the only way that I know, Christian friends, to help you is to get your faith, the best that I can by the Word of God, centered on the will of God for you, see.

25 If you can only see that it's God's will to do these things for you. It's God's will to save you all. It's God's will to heal you all.

And He will certainly lead you into deeper depths and higher heights, if you'll just trust Him.

26 Don't be satisfied with your fire built here, from last night. Let's build it a little farther up the road tonight. Never build it in the same place. You can't stand still. You're either backsliding or going forward.

27 We've had years now. There hasn't been too much done. But I truly believe that we're entering into the greatest time this world has ever seen. I certainly believe that there is coming a time, and it's at hand now, of God going to make Himself manifested, the greatest He's ever done in all ages.

28 This is the ending up of the time. Time will be no more one of these days. We've come out of eternity, stepped into a little time space here, and step out of time back into eternity. We was before there was a world. Then we came into the world and we go out of the world back into the unknown to us now.

29 And now, in here, we've had our Saviour come here to the earth, God Himself, made Himself manifested to us and give us the hope of everlasting life, eternal life. And, also, in there He promised us joy and happiness and contentment which is the earnest of our salvation that we have now as a golden inheritance.

30 And in our hearts, something that pounds great, for we know that God has give us this great attribute. Also, in there, He gave us the hope of a resurrection of our bodies. And for the earnest money of that, He gave us divine healing.

31 And if all the world tonight would go down on divine healing and say, "There is no such a thing" I could not say but what there is. For first, the Bible said so; and, Christian friends, I've done come too far, seen too much, see, to never turn from that, for I know what it is.

32 As long as God keeps me mentally right, and helps me and gives me His love in my heart, as I have it now, I'll always know He's a healer. For nothing could save me from my sickness, the condition that I was in. Not even Mayo's Clinic; they turned me down. But tonight, by God's grace, I'm in perfect health.

33 And so, I've seen thousands of those. And now, I don't give myself credit; I have no credit. I'm only grateful to God that He lets me take the message to others. For any man that would have anything

to do with it, and keep it himself and wouldn't divide it with someone else, is selfish. And that's not the Christian attitude. We must be willing to help others, and see that others gets the same blessing that we're getting.

34 If I was to be a millionaire tonight, I'd want everybody in the world to be a millionaire, see. Because we're brothers. We might disagree upon different things, but we're still brothers and sisters. We love each other when the love of God is in our hearts.

35 And even being enemies, if we'd have any, which we probably have. But, still, we love them anyhow because they, no matter what estate they're in, they're God's children, fallen, but they're God's children yet.

36 And now, tonight, my purpose is to try to base your faith on the Word of God, that you might know that Jesus Christ is not dead, but He's living right here in Chicago, in this room tonight. If we only seen what He did.

37 And let's look at it just as sensibly. And to some of you people who do understand, bear with the newcomers. We could just ask this question.

38 The theme of my campaign has always been: Jesus Christ the same yesterday, today, and forever. And if He is the same yesterday, today, and forever, He's bound to do the same things that He did yesterday. For that's how we know who He was: by the things He done.

39 Even the Jews, the great Nicodemus, the teacher, came to Him by night, and said, "Rabbi, we know that Thou art a teacher come from God. For no man can do these things that You do 'less God would be with him." They knew that.

40 Well, now, if He has raised from the dead, and promised that the very same things that He did, we would do also. Now, that's got to be either right or wrong. Isn't that right, church? It's right or wrong. Well, if it is right, let's embrace it and love Him with all of our hearts. If it isn't right, let's get away from it, 'cause it's not right.

41 When they was reading the Koran-bible to me not long ago in India, and someone had been there a little before me; and they wanted to believe that part of it wasn't inspired, and Mark 16 wasn't inspired,

and some more of it wasn't inspired. He said, "What kind of a Bible have you got?"

42 Said, "We believe all the Koran is inspired." Said, "If part of this is inspired and the rest of it's not inspired, how can you have faith?" That's right.

43 Now, it's either all inspired or none of it's inspired. I believe every word of it is inspired, written by God. If we can only rightly put it in its place, where it belongs. And if we put it in its place, God will perform and operate and prove His Word.

44 Now, you couldn't put a grain of corn in a box of sawdust or ashes, and it would grow. It won't do it. It's got to be in the right kind of soil to make it grow. Is that right?

45 Well that's... It's corn, it'll grow if it's in the right place. And wheat, you couldn't put it out in a dry place like you would raise onions, or turnips, or something in sandy ground. You couldn't put wheat out there, for it wouldn't grow. It's got to be ... it's bedded down in water. See, it's got to be in the right kind of soil, and so does God's Word have to be put in the right kind of soil, or faith, or it won't produce nothing. You see what I mean?

46 Yet you receive it as the Word, but if it isn't in the right kind of a soil, it won't materialize. It just can't, because there's nothing there to make it grow. But if it's ever received with faith, something's going to happen.

47 Now, Jesus, when He was here on earth, the works and signs and wonders that He did then, now, He will do it again tonight. He will do it every time that His Word is put to a showdown; He'll do it. For He has to in order to be the resurrected Jesus.

48 Now, if He doesn't do it, then He never raised from the dead. That's right. He's still dead. But we don't worship a dead God. We worship a living God who is raised from the dead, and lives here among us tonight and doing the same things tonight that He did back there.

49 Now, for the newcomers we might ask this, "What did He do back there? What kind of a man was He? What kind of works did He do?"

50 Well, He didn't entertain too big of crowds. He'd have up, sometimes five thousand in a crowd. The Sanhedrin could have called

two million in a crowd. So, He didn't . . . say, that He just drew the biggest crowds in the country. That doesn't mean that He was right.

51 He didn't dress any different from anybody else. He was no great big man of high stature like Saul. The Bible said, "There was no beauty we should desire Him. And when we seen Him, we hid our face from Him," see. He was just nothing much to look at.

But what He was, what makes us love Him, He was the Son of God. That's what makes us love Him.

52 Someone might say, "Well, was He a yellow man? Black man? White man? Brown man?" I don't care what He was, what He looked like, He's my Saviour. I love Him. Don't make any difference whether He was little, big or what He was. I love Him.

For when we are born into Him, we become a part of Him. We love Him, and He is ours, and we are His.

53 But when He was here on earth, He didn't claim that He was a great healer. Frankly, He claimed just the vice-versa. He said He wasn't no healer. He said, "I can do nothing in Myself. Just what I see the Father doing, that's what I do." Saint John 5:19.

54 He was questioned. He had healed one man laying on a pallet with some kind of a disease or something. The man could walk. He said, "When I'm coming down to the pool somebody steps in ahead of me."

55 But look what He passed by. Maybe three or four times as many people that's in here tonight. And everyone of them was lame, halt, twisted, withered, and blind. Just look what a condition. And He passed right through everyone of them, went and healed this one, and walked away and left the rest of them there. To the natural mind, it would be questioned.

56 As I have said, there's three elements that people dwell in. This first one is humanistic. Down here, we say, "Well, I prayed for that person, I'm hoping they'll get well." Now next is divine revelation. That's when something down in your heart anchors it, and says, "It's going to happen." Then something is going to happen. Then the third element is visions, or the Word of the Lord, made manifest. When you see that, it's "Thus saith the Lord."

57 Now, Jesus, when He was passing by the gates of Jericho, a blind man run out to Him, began to cry, "Have mercy on me,"—blind

Bartimaeus. And Jesus had His face set to Calvary to go to be crucified, and He, perhaps, never even heard the man.

58 So he cried the much louder, “Thou Son of David, have mercy on me.” Somehow, the man’s faith touched Jesus, and He turned around and told him his faith had made him well.

59 A woman, one time, touched His garment. For in her heart, she said, “If I can touch His garment. He’s a holy man. I believe Him to be what He says He is. If I can just only touch Him, I will be made well of my plague.”

60 And she touched Him, turned right around, walked out into the audience. Jesus stopped and looked around over the audience, found where she was at. He said, “Thy faith has made thee whole. Your plague’s gone now.” That was Jesus. He only did as the Father showed Him.

61 He called a woman from the well of Samaria one time to give Him a drink and she wouldn’t do it, because she thought. . . . It was not according to etiquette in that day, for they didn’t have any dealings with one another, the Jew and the Samaritan.

62 He said, “But if you knew who you were talking to, you’d ask Me for a drink. And I’d bring you water . . . or, give you water that you didn’t draw from this well.”

And they went ahead on the course about the well and so forth and how she said her father Jacob drank from it and so forth.

63 So after awhile when He got talking to her a little while, He said, “Go get your husband.” That was right straight what the trouble of that woman was.

64 I believe if she’d had a cancer, Jesus would have told her she had cancer. I believe if she’d had TB, Jesus would have told her she had TB. Don’t you? But what was her trouble? She had five husbands.

So, He said, “Go get thy husband.”

She said, “I have none.”

Said, “That’s right. You got five.”

She said, “I perceive that You are a prophet, Sir.”

65 Now, she said, “I know when the Messiah comes,” that was Jesus, not knowing that was Him, said, “I know when Messiah comes He will tell us those things.”

66 See, that’s the sign of the Messiah. Said, “I know when the Messiah comes that He’ll do this.” But, in other words, “You must be a prophet, a disciple of the Messiah, for You knew that I . . . who I was, and told me now something that I know that You know nothing about. And You told me that I had five husbands and You don’t know nothing about me, so you must be a prophet.” She said, “Now, when Messiah cometh, He’ll do that.”

He said, “I am He that speaks to you.”

And she left the waterpot, and run into the city and said, “Come see a man.” That was it.

67 She couldn’t hold herself any longer. Messiah was there, an ordinary man, sitting out there waiting for them to go get some meat, and bring it out there for Him to eat. Thirsting to drink water out of the well.

68 A man, man was laughed at, made fun of, dressed like ordinary men, talked in such poor language, till it even mixes up the translators today.

69 What a high talk they had then. They try to bring the Bible expressions up to that. That’s the reason one says it *this* way and one says it *that* way.

70 It was such humble talk till they don’t even know what to think about it. God did it that way to hide it from the eyes of the wise and prudent, and reveal it to babes such as will learn.

71 That’s the reason they can’t translate it. It’ll only be revealed through spiritual revelation. Then when you once get inside with Christ, He’ll reveal Himself to you. *This* is what it is. *That’s* what it is.

72 Now, when we see Him doing those things. . . . Now, if He’s the same yesterday, today, and forever, well, of course, He does the same yesterday, today, and forever.

73 Now, when He went away, He said, “A little while and the world will see Me no more. Yet, you shall see Me, for. . . .” Now,

who is that “you”? Someone might say, “That was the disciples He was talking to.”

74 Well how could this be then? He said, “A little while and the world won’t see Me anymore, yet you shall see Me, for I will be with you, even in you to the end of the world.”

75 Now the disciples have been dead two thousand years, right on it. So there has to be some “yous” that’ll see Him, all the way to the end of the world. And there’s got to be some “world” that will not see Him anymore.

Aren’t you happy tonight you’re “ye”? “If ye believe.” Now, we’re so happy for this.

76 Notice, He said, “The things that I do . . .” In other words, the same type of ministry that He had, would be with the believers all the way to the end of the world. That makes Jesus Christ the same yesterday, today, and forever.

We teach Him as a living God. Not one that’s dead; One that’s raised from the dead.

77 If He’s just here on earth and perform miracles, He was just a prophet. But when He died—if that was the end of it—He was just a prophet. But if He raised from the dead, then He’s more than a prophet. He’s a Son of God.

78 So, you see, friends, you’ve got to believe that. Just the same as Him here tonight, just like He was on Galilee. And when you see that and see His Word made so plain that it’s right here before you, that brings faith up. Then, it’s not a man that heals you, it’s not my prayer that heals you, it’s not their prayer that heals you; it’s your own faith that heals you.

79 Jesus never said to the woman, now, when He found her out there in the audience looking around like that and couldn’t find Him, He felt something, whatever it was. He said virtue (which means “strength”) went from Him. And He looked out to see who it was. Said, “I’ve been touched.”

Why, the disciples said, “Why, the multitudes are thronging you. Why do you say ‘touched me’?”

80 He said, “Yes,” said, “somebody touched me.” And He looked down over the audience, and then those majestic eyes centered right

down to them. She seen she could not be hid. So, He said, “Thy faith has saved thee. The plague’s gone now.”

81 Now, if that Jesus was standing here tonight, He could look over this audience, and if any person could touch Him with their faith, the same thing would take place. You believe it? Same thing, if He’s the same Jesus.

82 Then, if He was here tonight, He wouldn’t claim, “Bring Me *this* man or *this* woman, or *so-and-so*, and let Me heal them.” No, no. He said, “I can do nothing unless the Father shows Me what to do.” Is that correct? Saint John 5:19. That He did nothing unless the Father showed Him. Then when the Father showed Him, He just went and acted out what the Father showed Him to do.

83 Now, Jesus, raised from the dead, He could stand here tonight, and you might come here and talk to Him on the platform. He’d look at you, and He’d say, “Well, you have a certain thing wrong with you, and you’re Mr. So-and-so, from a certain place.”

You’d say, “Lord Jesus, will You heal me?”

He’d say, “Don’t you believe Me? I’ve already did it when I died for you at Calvary. Do you believe this?”

You’d said, “Yes.”

He’d say, “Well, then, go on your way. Your faith saves you.”

84 So, see, healing, or salvation cannot come from any man. Now, there’s gifts in the church, such as prophecy, and gifts of healing, and so forth. That don’t mean power to heal, that means knowledge of the word of healing.

85 A preacher don’t mean you’re saved, but it means the knowledge of the word of salvation. He was gifted with the gift to teach, or to preach, or to prophesy, or any of those gifts is to magnify Jesus Christ and bring Him to the people. And then when the people sees it, they believe it, accept it, confess it, then they’re saved.

86 That’s the same thing a gift of healing does. A man can preach the Word so simple that a child could understand it. The people say, “Well, that’s right.” Then He’s cornering the devil.

87 First thing you know then, the person says, “Oh, I believe it. Oh, I believe it’s for me.” And they accept it. That settles it. They go on, testifying of it, and they get well.

You say, "I've seen some testify and didn't get well." I've seen some that professed to be saved and didn't get saved," see.

88 It's your faith that does it. If you really believe it, it'll do it. So, therefore, no man can save you, no man can heal you, for He has already been wounded for our transgressions, bruised for our iniquities. Was, see. "Chastisement of our peace was upon Him and with His stripes we were healed." Saved, healed, when He died at Calvary. So, the only thing that those gifts can do is point you to the finished work of the Lord Jesus Christ at Calvary. You see it?

89 Now, a minister with a gift of divine healing, he come in here. It's [unclear word]. . . . Many gifts can rest in that minister. He comes in here to the building. He takes the Word of God. He's a master-explainer. He can stand and explain it like Mr. Roberts or Tommy Osborn, or some of those brethren like that who are masterpieces on the Scripture--wonderful men. They've all been right here in Chicago and preached to you. And you know they are. Master-men on explaining the Word. That's gifts of healing.

90 Now that's the way they try to make you see. That's their gift they have to prove to you that Jesus Christ is the same yesterday, today, and forever. They believe it with all their heart. And they prove it by the Word that it's right.

91 Now, I am not a gifted person of that type. My gift is seeing visions. Then when you see something that God has did, something that the Father has made manifest as a spiritual gift, a knowledge that God comes down and anoints; makes them preach the Word.

92 Then God comes down in an anointing of another gift and he'll know things, and foreshow things, and tell things that was, and what will be. What's that to do? Does that heal you? No. It brings your faith up to Jesus Christ Who has already healed you. That's it. Then you believe it and go away saying, "Praise the Lord, I'm healed."

93 Now, Jesus crossing in the boat. . . . Quickly now, just a few minutes. Crossing this sea, I can just imagine how that was. He'd preached all day and that night a big storm come up on the sea and liked to sunk the little boat, and weary and tired but never afraid. I like that.

94 Jesus didn't have to go out and fast all day and pray all day and then, say, "Now I wonder if I've got faith enough to do this." He was unconscious of the faith that He had.

95 Any man or woman that ever make real warriors in the kingdom of God is perfectly unconscious to their faith. You keep trying to test your faith. “Wonder if I’ve got faith enough to do this? Have I got faith.”

96 Don’t test your faith. God said so, do it anyhow. God said so. Have you ever tested your faith whether you had enough faith to come to the meeting or not tonight? Do you test your faith to see if you had enough faith to eat your supper tonight? Have you tested.... Do you think you’ll have to fast awhile and test your faith to see if you got enough faith to drive your car home? Certainly not. It’s just automatically you believe it.

97 That’s the way you believe healing. Believe anything God says. Just don’t fight at it, and shake at it, and rebuke the devil every minute. Just accept it and go on. That’s it. There’s nothing to be alarmed about. God said so and that settled it. So, we just go ahead, knowing it’s going to happen. Just forget about it. God said it, that proves it, I believe it, that settles it. That’s all you have to do.

98 Jesus laying in the back of the boat, and He was asleep, and He raised and to stilled the waters. Now look, He’s crossing that stormy sea. And when He gets over to the other side.... He come all the way across that stormy sea, through that dark, dismal, rainy, stormy night when, perhaps, ten thousand devils of the sea swore they’d drown Him.

99 And there He was out there in that little, old boat bouncing around like that through the night, tired and weary. He come all the way over to Gadarea for one purpose. There was one person needed help, that was a maniac of Gadarea, a crazy man. He come all the way across the stormy sea that took Him all night, to help one person.

100 He’d come all the way from glory tonight, to manifest Himself to heal any person that’s in here. That’s the loving heart of the Lord Jesus.

101 And when this maniac met Him, he run out there, I suppose, like he’s going to kill Him. But, He seen he was so completely ... that boy was so completely surrendered to Satan till the devil used his tongue.

102 You believe the devil can use your tongue? Certainly he does. Make you say things that you don’t want to say. Make you lie, steal,

make you tell things that's not right, say bad words that God don't want you to say. The devil gets complete control of you.

103 Well, then, if he gets all the way control of you, you don't know what you're going to say. You become a mad man. And a person. . . . Do you believe your tongue can be used for Jesus Christ? Certainly it can.

104 Then you sing the Gospel, preach the Gospel, and speak good things, and talk good things, and say good words. Then you can become so completely surrendered to the Holy Spirit till He can speak a language that you know nothing about. That's right. He can.

105 Now, this maniac was so completely in the hands of Satan, poor fellow, bound, perhaps one time a good man. But he just started trifling a little here, and trifling a little there. And after awhile, the devils had him out in a tomb.

106 And when he was, he's such a powerful man till they could bind him with chains and he'd just break the chain. Did you ever try to hold a mad man, maniac? Why, they're many times their strength. Try to hold one once and watch how he carries on. Why, he's a rough fellow. What is that? That's supernatural power. It's the devil on the man.

107 Well, if the devil can take a man yielded perfectly to him, and make him two or three times his strength, what can a man that's yielded to the Holy Spirit, what can God do for him? How many more times can He make him strong?

108 A man that can't move, is paralyzed, the Holy Spirit get a hold of him, straighten him right up. A man that's so weak he can't raise up. . . .

109 A little woman the other night, they was talking about here, from Mayo's, that was so completely gone that she was laying on a stretcher. And the Holy Spirit got a hold of her, and healed her right there. She got up and so happy, she couldn't even sleep all night. When the Mayo Clinic had give her up, just a few nights ago.

110 Now, what is that? Yielding. And this man, when he seen Jesus coming. . . . Perhaps, the devil tore his mind and run out there to get Jesus, because no one could pass by.

111 So, when that demon got close to the Lord Jesus Christ, he recognized who it was. Don't say they don't recognize you, they do. Do you believe devils recognize Christians? Certainly they...

112 Well, the Scripture, I believe, some place says that the devils tremble when the weakest of saints goes to their knees. What a power and a privilege has been given to the church of the living God. When you fall to your knees in prayer, even the devils tremble, to the weakest of them. Think of it.

113 I seen a poor woman here sometime ago, so completely yielded to the Holy ... unto the Holy Spirit that.... She was so completely yielded to the wrong spirit till it throwed her on her back and her feet was up like that. She crawled on her back like a snake. She didn't even know nothing for two years.

114 And I went down into the basement of the auditorium to pray for the woman. They couldn't even bring her in a public place like this. While they brought her from the insane institution, she kicked the windows out of a car with five men in there. The ambulance wouldn't even dare to touch her--strong, two or three times her power.

115 And so, the husband wanted me to see her. I went down the steps. He said, "Don't go near her, Brother Branham," said, "She'll kill you."

I said, "Is that her laying out there with her feet?"

"That's right, just bleeding all over her limbs."

I said, "What's the matter?"

116 Said, "She kicked the glass out of the car. We brought her down in a Chevrolet car, and she kicked all the glasses out. Five men couldn't hold her."

117 And said, "She hasn't been off her back, so we was trying to hold her in there like this until we got her down here. We brought her two hundred miles." There'd been an insane woman received her right mind a few nights before that and he said, "We brought her."

I said, "I'll go out and see if I can talk to her."

Said, "Don't you do that." Said, "She'd kill you."

I said, "Oh, I don't think so." So, I walked out, started to take hold of her hand. I said, "How do you do, sister?"

118 She was laying there with her eyes starey, her hands up like this, and her feet sticking right up. And I caught a hold of her hand, and she gave me a jerk that she would have pulled me.... Well, she'd probably broke my neck.

119 She jerked me like that with such a terrific force until my seat flew from under me. And my foot caught back right on her breast, like this, and I jerked my hand from her. Why, she would have threw me across the floor.

120 Strong, stronger, many times stronger than two or three men put together. Just jerked it like that, and a little, old housewife. But she was possessed with a demon, and she jerked me like that. And I caught my foot and they pulled my hand loose, and I run up on the steps like that.

121 And here she come across the floor, crawling on her back like a snake, and blowing like a snake, chasing me. I don't mean just wallowing in one place, she was moving. The movements of her body was making her come pretty fast. I had to run to get to the steps, out of her way. And she stopped right there on the floor and she turned around on her back like that.

She said, "William Branham, you ain't got nothing to do with me. I brought her here."

And her husband said, "What's that?" Said, "That's the first words she's spoke in two years."

Well, I said, "Sir, that's not her. That's that demon that's got her bound."

"Why," said, "she called you by your name."

I said, "That's right."

Said, "Did you ever see anything like that?"

122 I said, "Yeah, sure! Read of it in the Scripture." I said, "You have faith, brother, in our Lord Jesus Christ, and you believe that the same God that give that woman her right mental condition been from Piney Wood, Mississippi there, been in that insane institution for ten years. Didn't even know her boy went over seas, or come back. There she was in her home yesterday cooking dinner, in her right mind." I said, "Do you believe that?"

Said, "Yes, sir and I believe it for my wife."

I said, "That's the reason he's crying out."

123 Said, "You have nothing to do with me." The woman said that to me. Now the man did not knowing much about it, he thought it was his wife saying it. His wife don't know nothing about her saying that. It was a devil.

I said, "That's right. But Jesus Christ has something to do with it."

124 So, I just prayed for the woman and asked the evil spirit to leave her. She laid on the floor. I said, "Take her on back to the institution, let them dismiss her."

125 So, in two days after that, she went home well, normal. A week after that, she sat in the meeting in another city, with her little children, just as normal as she can be. I think her husband's preaching the Gospel now. What was it? The same Jesus.

126 Oh, church of the living God! No wonder the medical association, the head of it, said it was a disgrace in our nation to see the things that's going on.

127 He said also the medical association. . . . I got a piece here out of the paper. The head of the American Medical Association said, "No doctor has any right to enter into a home, to visit the sick people, that doesn't believe in the supreme being." And give a good write-up of Divine healing, better than I could make it myself.

I said, "They're just learning now what we've known for years." That's right. The Medical Association.

129 Many of you take the *Christian Herald*. Read that great write-up that they got from the doctors last month . . . or, month before last when I was in Binghamton, New York. How the doctors are beginning to realize that these diseases are devils. Correctly.

130 The hour's coming when this world will shake under the impact of the church of the living God that's moving forward in great power. That's right. I hope to see it in my generation.

131 This maniac. . . . This man was so possessed, a good man. The man was humble. He was a lovely brother. But the devil had him all bound.

And the devil said, "I know You, Jesus of Nazareth. Why do You come to torment me before my time comes?"

Jesus said, "Hold your peace and come out of him."

The devil spoke right quick, "If you're going to cast me out, let us go over there in that bunch of hogs."

132 And so, He said, "Go." And they run into those hogs, and those hogs, now, knowed something struck them that possessed them, and two thousand head of hogs run into the waters and drowned.

133 And this man in his right mind, clothed, sitting at the feet of Jesus. There you are! That's the way you act when you come in contact with Jesus. You're never the same. Legion could never be the same. And no one is ever the same after they once meet Jesus.

134 My prayer is tonight, my dear brother, sister, you of the Christian faith, and you without that's outside the kingdom of God, I pray that this will be the night that you'll come in contact with Jesus.

135 And to you that's sick tonight, the doctors has give you up, nothing can be done for you, I pray that this night you'll come in contact with Jesus. Go out of here, not the same as you come in, but healed.

Shall we pray, while the organ plays, if you will.

136 Everyone with your heads bowed now, and your eyes closed. We're looking towards Calvary. By eyes of faith, we believe that He's here. And now, Lord Jesus, the lovely One, who gives the insane their right mind, who gives the sick their healing, their good with physical bodies again. Who makes those who are wayward, doesn't know You, when they once meet You, things change.

I'm wondering what happened to Legion's home when he got there. What a different home it was.

137 Father, tonight, if there's anyone in here, maybe not like Legion was, but still outside of Christ, that's never come in contact with Him. Maybe their home's all tore up, no peace, no happiness in their home. Can't come in, sit down with their wife and little children, or with husband and little children. Just all tore up. Always touchy, and unpleasant around home. God, may they meet Jesus tonight, go home a different person.

138 Many are laying here in the building, Father, weary and sick. Won't You come, Lord? I'm not able to explain Your Word in such a way that would bring great faith to the people. But will You with a

manifestation of the Angel of God standing near, will You come, Father, tonight?

139 Take this poor, unworthy person. And will You just take control of me? Not for own self-glory, but that the few words that's been preached might be made shown right now that it's the truth, that You've raised from the dead, and You're here. You've done it before, Father. I pray that You'll do it again tonight. People might believe then. For we ask it in Jesus' name. Amen.

140 Now, my beloved friends, if Jesus will appear in our midst tonight, now, and will manifest Himself just the way He did when He was here on earth, will you believe Him with all your heart? He'll do the same things He did? Up in the balconies, will you do the same thing? Will you accept Him up there? Say, "Yes, Lord, I..."

141 All the newcomers that's never been in my meeting before, will you raise your hand? Say, "If I can see Him do the same thing He did in Galilee, I--I--I'll believe it, I--I--I'll go away from here..." Newcomers, now, that's never seen the meeting, raise your hand. Say, "I..." God bless you. I believe it's a hundred percent, everywhere. Unanimously everywhere. I believe, Lord. Now, that's what I hope He'll do for you tonight.

142 Now, have the boys give out the prayer cards? Where is Billy? Is he ... [A brother says something to Brother Branham] Uh-huh, O? All right. Let's stand a few of them up like this to start number-1.

143 Who has O-number-1? Would you just raise your hand that we can see where you're at? Number-1? prayer cards.... Look at your prayer cards, a little piece of paper that's got a number and a letter on it. And we have to number you so that we can do it rightly, 'cause there's probably a thousand more people in here wanting to be prayed for. We can't bring them all to the platform. Don't have to.

144 Anybody with O-number-1? Come down here to the right-hand side. Number-2? Who has number-2? Number-2? Go down here, lady. Number-3? Who has O-number-3? Would you raise your hand, number-3? Number-4? Who has number-4? Would you raise your hand? All right. Over here, lady. Number-5? Who has 5? This man. Number-6? Who has 6? Anyone have prayer card 6? All right. 7? Would you raise your hand, prayer card 7? The lady there. 8, 9? Have we got a prayer card 9, would you raise your hand? 9, 10, 11, 12, 13, 14, 15?

145 Did I call 15? 15 or 20, what did I say? [Brother Boze says, "You have fifteen now."] 15. Let's see how many they line up there. See. Not, no one.... Maybe set these here. Now, let's see how much.... I may go right, number 15, 16, 17, 18, 19, 20?

146 Now, that does not have a prayer card, and yet is sick and needy and wants the Lord Jesus to heal you, would you just raise your hand? God bless you. Now, keep your hand up a minute.

147 Father God, you see this, Lord. They're Your poor, little children. Some of them are Your brethren. Some of them are Your handmaids. Some of them are just misses and some of them are little children. God, heal them. Will You? And I pray, Father, that something will take place that'll cause everyone of them to be healed tonight. May there not be one feeble person leave the building.

148 And, Lord, if any of those people out there that You are speaking to, will You just show them to me, Lord? I don't know them. Thou knowest that. But, You know them. Will You just speak and show them to me so that I might call them? I ask in Jesus' name. Amen.

149 The Holy Spirit is here. It's here now. The very.... How many has ever seen it's picture? Let's see your hands. Has anybody in here ever seen the picture? We will have it here tomorrow. Now that same light that you see in the picture, God being my Judge, is not two foot from where I'm standing right now. That's right.

150 Now, it depends on her faith, or your faith, what It will speak through me. Just like this microphone. It's mute unless something's making a noise through it--perfectly mute. Don't know nothing, unless He speaks it. Then you be the judge.

151 Jesus Christ the same yesterday, today, and forever. In the Name of Jesus Christ, the Son of God, I take every person and every soul in here under my control for His glory, that God might receive glory.

152 Now don't be critical. As soon as it anoints me, I will find something, see, just immediately. Don't do that, See. It's dangerous, 'cause the disease will come from one to another. So, you believe and faith. Don't doubt. Just have faith and believe.

153 They're taking a recording here, so I'll have to lay this speaker up here. The tape here got hot and let it loose. I believe it'll pick it

up, the mike, here, Brother Beeler. Can you catch it there? Is your light flashing all right now?

154 Now, the boys will watch, and now don't no one move around. Remain where you are and be real reverent and look this way and believe. Now it's not an arena. We're not here.... We're here in a church of the living God. And now, in the name of Jesus Christ, everyone be reverent and believe with all your heart.

155 Now, sister, being a stranger to you, never seeing you in my life. Of course, I see you're wearing glasses. There's something wrong with your eyes, that's true enough. But God knows you. Now, I'm just talking to you. And as soon as I go to talking, I find out this one thing: You are a Christian believer. You are a Christian, 'cause your spirit is welcome. I can feel the anointing of the Holy Spirit that you are a born-again believer. That's right. 'Cause your spirit feels welcome to the Angel of the Lord which is here now.

156 And you're sure that there's something going on. You can't explain just what it is. But it's a real sweet, humble feeling. Is that right? If it is, raise your hand to the people.

157 Now, the people that's looking, that knows the woman, you know whether she's truthful or not. The woman now knows, because between, she and I, there's a light moving, which is the Angel of the Lord. The woman knows that that's true.

That's the same thing that Jesus said to Nathanael, "Behold, an Israelite in whom there is no guile."

He said, "When did You know me, Rabbi?"

158 That's the same as it was then it is now. The woman could be an agnostic. She could be an unbeliever, or anything. How would I know? But the same Holy Spirit tells me that she's a believer and a born-again Christian, see. The same Jesus, is that right?

159 Now, may He tell her something else, something that she wanted to know. Now, I can't unless He would show me. You know that's true, us being strangers. I don't know what you're here for. God does. But if He'll reveal to me what you're here for, what you want to know, or something that you know that I don't know that He'll reveal it. Will you believe that He's risen from the dead and standing here now to meet that what you are asking for? Will the rest of the audience believe it with all of their heart if He'll reveal it?

160 This ought to settle it, if the Holy Spirit will do it. Now I just want you to believe, sister. Just stand there. Believe that you're in His presence. That's not your brother making you feel like that, you know. It's Him.

161 Now I see it. It's moving right down again across the woman. The lady has got some kind of a trouble and it's in her neck. She's got trouble in her neck. She keeps rubbing her neck. Then she's got trouble in her back. And then it comes around under; she's got trouble in the liver. That is true. [Sister says, "That's true."]

162 And you're having like headaches, real severe headaches. I see a crash or something. It's a automobile accident. ["Yes."] You've had an automobile accident and you've got a slipped vertebrae in the back, which is causing it. ["Yes, amen."] That's right. Amen. If that's true, raise your hand. ["That's true."]

163 Jesus the same yesterday, today, and forever. Did you hear that voice? That wasn't me. That wasn't me. That was Him. Do you believe Him now? ["Amen."] Now it turns all real light all around you, sister, I believe with all my heart you're healed.

164 Almighty God, in the name of Jesus, Thy Son, while You said in Your Word, "These signs shall follow them that believe. If they lay hands on the sick, they shall recover."

165 And Lord, standing here, Your Spirit telling the very secrets of their hearts and things, like You said, and You did in Your Bible. I lay my hands, while this anointing is upon me, upon this woman. And may You heal her, whatever is wrong with her. I know not, Thou does. In Jesus' name. Amen. God bless you, Sister. Go rejoicing now and be happy serving the Lord.

166 Do you believe? Have faith in God. He's the same yesterday.... Now, so before it gets too far on me.... Look here at the perspiration, see; just as weak as I can be. That's a vision. Daniel saw one vision and was troubled in his head for many days. Have faith in God. Amen.

167 How do you do, lady? Is this the patient? We are strangers to each other, I suppose. We don't know each other. Do you believe with all your heart? Only your faith in Jesus can help you, sister. The reason I regard you as sister, because you are a believer. You're a Christian. If it wasn't, your spirit would be moving back, being

dark around you. But, it turns light. You are a believer. Your spirit is welcomed by the Spirit that's anointing me.

168 And you're suffering with a trouble in your heart. It's a heart trouble. That is true. And that's caused by rheumatic fever, is what they say. That's right. And it's still on you. But Jesus is here to take it away from you. Do you believe? Come here just a moment.

169 O God, our Father who art in heaven, hallowed be Thy name. Thy kingdom come, Thy will be done in earth as it is heaven. And in heaven, Your blood is laying there for an atonement to make intercessions for this woman's confession. Your Spirit is here, moving.

170 Now I rebuke this enemy that's taking the life of my sister. May it go away from her, and she be made well. In Jesus Christ's name I ask it. Amen. The Lord bless you, my sister. Go happy, rejoicing.

171 Believe on the Lord Jesus, everyone, and be ye healed, all the ends of the earth. Have faith in God. Do you believe out there in the audience? Just believe. "If thou canst believe, all things are possible."

172 We are strangers to each other, aren't we? I do not know you. But God does know you. Is that right? He knows you. I don't. But if God will reveal to me what you're here for, will you accept your healing as from the Lord Jesus, after I've preached the Bible to show what He did say He would do? And if He's here now, risen, standing here near you. . . .

173 And I'm just like this microphone, see. I know nothing of you. But the only way a voice can come through here, it'd have to be a voice back here to make it. And if I don't know you, there's got to be something behind here to make the knowledge of it. Is that right?

174 Would you believe it come from the Lord Jesus? You're trying to believe. You're nervous. I'm not reading your mind. No, no, see. You're just nervous and upset. Perhaps, maybe if the Lord will help you. . . .

175 See, sister, it takes your solemnly . . . your faith in God. And you're trying to move in there, and doubts was moving in your way. That's right. That's right. You couldn't hide your life now if you had to, see. You're standing in His presence, not mine.

176 Perhaps, I tell you you're coughing a whole lot (Isn't that right?), because you got asthma. That is right. Isn't that right? I see you raising up in the bed trying to cough like that, holding your throat, which is asthma. Exactly right. If that's right, raise your hand up.

177 You're also real nervous, aren't you? Yes, sir. You're real nervous. You got a husband that needs healing, too, haven't you? He's got something wrong with his eyes. If that's right, raise up your hand. Your name is Mrs. Slater, isn't it? Now, you believe me to be God's prophet? Uh-huh. Now, go believing and you'll get well. In the name of the Lord Jesus Christ, may it come to pass. Amen. Amen.

178 Don't think strange of that. Jesus said to Peter, "Thou art Peter, the son of Jonas." Be reverent. Don't think. . . . Your thoughts come right here, remember. Remember the anointing of the Holy Spirit's in the meeting. Have faith. Don't doubt. Just believe.

179 Little lady sitting right there's bothered with a nervous trouble --sitting there, second one. Yes. Weeping just a few moments ago. When I was talking to this woman and said nervous, a real strange feeling struck you, didn't it? If that's right, raise your hand. You've been suffering with nervousness. Satan telling you, and everything, you was going to lose your mind and things. Isn't that right? If that's right, wave your hand. You were healed right then. Your faith made you whole. Jesus Christ made you well. Amen.

180 Just have faith in God. Don't doubt. See, you don't need prayer cards. You need faith and believe what I. . . . I challenge your faith in Jesus' name. Look this way and believe that I've told you the truth of God. Watch what happens.

181 Is that the same Lord Jesus that the woman touched His garment? She never touched my garment, but she touched His garment. He knew what her faith did. One thing, a demon screamed out. Have faith in God. Believe.

182 All right, is this the man here? All right. Come, sir. We are strangers to each other, I suppose, sir. God knows both of us. I don't know you, and perhaps, you don't know me, our first time meeting in life. Is that correct, sir? If it is, would you just raise your hand so the audience would see? First time meeting in life, but God knows all about you. And He can tell me about you. I don't know. You know that to be true.

183 If we're strangers then, and Jesus has risen from the dead, and what we preach as the Gospel here, and believe it to be the truth, then by the Word of God tonight, and by every night, I can prove it by the Word that Jesus has risen from the dead. And He's alive tonight. He is not dead. He's living.

184 Now, if you standing there.... I don't know you, never seen you. But He knows you and you've got some motive of coming here. I don't know what it is, you know. But He does; and if He will let me know what you're here for, then you'll except it? You believe that you'll get what you ask for? Will the audience believe the same? Have faith.

185 The man's suffering from a chest trouble, trouble in his chest. That's right. And you're a preacher. You belong to a church called Church Of God, or something like that. [The brother says, "That's right."] And you're from a place called Indigo or something like that. That's right. And you're name is Reverend Huff, or something on that order. That's right. ["That's right."] And you are here with a daughter. ["Yes."] And a daughter's suffering with a gland trouble. ["That's right."]

186 You believe me to be His prophet? ["Amen."] Then in the name of Jesus Christ, the Son of God, I rebuke the enemy and ask for victory. Amen. Amen. Do you believe with all your heart?

187 You got trouble with your leg, sitting right there at the ... leg trouble. Do you believe that Jesus heals you with that leg trouble? You do? You was praying, wasn't you? And your faith has touched the garment of Jesus Christ. You're a stranger to me. If thou canst believe with all your heart, it'll go from you. Amen.

188 By the way, this is leg trouble, too, sitting right here. A lady right on the end there, believing. You believe with all your heart God will heal you with that leg trouble? If you believe with all your heart, you can have what you ask for. Do you do it, lady? The elderly lady sitting there with the handkerchief in her hand, do you believe that Jesus Christ makes you whole? God bless you. Then you can have it what you....

189 Have faith in God. Just believe. The reason I called that leg trouble, that's what trouble this woman right here is. Them devils are screaming one to another for help.

190 This woman's bothered with leg trouble, foot trouble. That's right. Say, I see somebody standing by you. You're in a church. The man was just here. You're a member of his church--the man was on the platform. Is that right? Now go back rejoicing, being happy, praising God and get well in the name of the Lord Jesus Christ. May it be so. Have faith in God.

191 Do you believe, sister? Believe that He can heal those eyes and make them well? That lady's trouble you've been suffering with so long and nervousness. That's right, isn't it? [The Sister says, "Yes."] How would I know except God would reveal it? O Heavenly Father, in the name of the Lord Jesus Christ, I bless this my sister for her healing in Jesus' name. Amen. God bless you, my sister. Go believing now with all your heart and be well.

192 Would you come, lady? Do you believe with all your heart? Just a moment. If God will reveal where your trouble is. . . . Do you believe it? It's in your back. That's right. Isn't that right? He makes you well now. Go on your road, rejoicing. Your faith heals you, sister. Amen. God be with you and bless you. May His Spirit rest upon you mightily for His glory.

193 How do you do, sister? Do you believe? There's many suffering with your troubles tonight. But Jesus can heal heart trouble the same as He can heal anything. Do you believe it? Let me show you something.

194 Everyone with heart trouble, has trouble with your heart, raise your hand, just a minute, out in there, raise your hand. Look at here, see. You can hardly pick it out.

195 Do you believe you're going to get well? You're wanting me to lay hands on you, though. I'm not reading your mind. But, that's what you was praying, "Is he going to lay hands on me?" Ain't that right? If it is, raise your hand. Come here. Heavenly Father, the woman's faith and her contact is this. Then in Jesus Christ's name, I rebuke this devil. May it leave her in Jesus' name. Amen. Go rejoicing now, believing with all your heart. Have faith, believe.

196 This woman on the platform, you have a lot of sufferers out there too. Look here just a moment. Look out to the audience. Everyone of you out there suffering with nervous trouble raise up your hand. See?

197 That's what your trouble is. Do you believe Jesus will make you well? Do you believe the same thing? Almighty God, I bless this woman in the name of Jesus Christ. May she be made well to the glory of God. Amen. God bless you, lady. Go believing now with all your heart and be made well.

All right, have faith and believe with all your heart. All right, bring your next patient.

You believe Jesus healed you?

198 I see in a mid-air, standing right this way, is someone praying. It's for a little boy that's sitting right down in here that's got a rupture. Sitting right down in this way, a little boy with a rupture. Raise up your hand, the person that's got it. It's a little boy, a little bitty fellow, be look along about three, or four years old, somewhere right in here. He's got brown hair, a little kind of shortcut hair. I see it in a vision, right through here.

199 A little mother with glasses on, holding the baby. Somewhere in this audience in here, a mother holding a little baby with a rupture. She's praying for it. Would you raise your hand, mother, ever where you're at? There she is. Here, she's sitting right here. The baby has a rupture?

200 Lay your hands upon the baby just a minute. Jesus has heard your prayer. Almighty God, in the name of Jesus Christ, I rebuke that devil that's done this harm to this baby. Thou spirit of the devil, leave the child and may he be healed for the glory of God. Amen. Have faith in God.

201 Do you believe you were healed, standing right there, then when I was praying? Go rejoicing saying, "Thank you, Lord Jesus," and be made well for God's glory.

202 Come, believe Him with all your heart. God can heal everything. Do you believe that? Cancer is nothing in the presence of God. God can make all things well. You believe that, don't you? Do you believe He can heal you right now? You are a believer, sister, a real believer. People has made that remark to you before. And He's able and can do it.

203 I'm getting real weak now. Lots of healing is taking place. I know that to be the truth. Things are taking place out in the audience right now. Do you believe? He knows every one of you. He's ready

to heal every person here right now solemnly, if you'll believe it. Will you believe it? Will you obey me as His prophet? Will you do it? Believe that He's here, not me, but Him.

204 Put your hands over on one another just for a minute. Lay your hands over on each other. Our Heavenly Father, I come humbly to Thee, O eternal and blessed redeemer, the devil has been exposed tonight. Jesus has proved that He lives. He's risen from the dead. He's here.

205 People are suffering and they're in need. Oh, blessed Jesus of Nazareth, I come to help these people through Thy Word, preaching of Thy Word.

206 Now, Satan, you can't hold these people any longer; they believe. Jesus is here proving that He raised from the dead. And their faith that they have in Him has been confirmed tonight. We are believers. Jesus our Lord is here with us, raised from the dead.

And I rebuke thee, Satan, in Jesus Christ's name, come out of every person in here that they might be made whole for the glory of God.
